Pre-Enrollment Checklist Liberty Medicare Heart and Diabetes (HMO C-SNP)

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-854-6884 (TTY 711).

Understanding the Benefits

Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit Libertymedicareadvantage.com or call-844-854-6884 (TTY 711) to view a copy of the EOC.

Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.

Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

This plan is a chronic condition special needs plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
