## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Cost	2023 (this year)	2024 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium.)	\$38.40	\$46.20

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs. Please see Section 7 regarding “Extra Help” from Medicare.

### Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2023 (this year)	2024 (next year)
<b>Maximum out-of-pocket amount</b> Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$6,600	\$6,600  Once you have paid \$6,600 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

### Section 1.3 – Changes to the Provider and Pharmacy Networks

Updated directories are located on our website at <http://www.libertymedicareadvantage.com/>. You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of pharmacies for next year. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

## Section 1.5 – Changes to Part D Prescription Drug Coverage

### Changes to Our “Drug List”

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically. The “Drug List” includes many – but not all – of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete “Drug List”** by calling Member Services (see the back cover) or visiting our website <http://www.libertymedicareadvantage.com>

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**.

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Changes to the Deductible Stage**

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 1: Yearly Deductible Stage</b></p> <p>During this stage, <b>you pay the full cost</b> of your Part D drugs until you have reached the yearly deductible. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines.</p>	<p>The deductible is \$480</p> <p>During this stage, you pay the full cost of the drugs until you have reached the yearly deductible.</p>	<p>The deductible is \$545</p> <p>During this stage, you pay the full cost of drugs until you have reached the yearly deductible.</p>

**Changes to Your Cost Sharing in the Initial Coverage Stage**

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 2: Initial Coverage Stage</b></p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs, and <b>you pay your share of the cost</b>.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay 25% of the total cost.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay 25% of the total cost.</p>

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 2: Initial Coverage Stage (continued)</b></p> <p>The costs in this row are for a one-month 30-day supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs look in Chapter 6, Section 5 of your Evidence of Coverage.</p>	<p>Once your total drug costs have reached \$4,660 you will move to the next stage (the Coverage Gap Stage).</p>	<p>Once your total drug costs have reached \$5,030 you will move to the next stage (the Coverage Gap Stage).</p>

**Changes to the Coverage Gap and Catastrophic Coverage Stages**

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

**Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.**

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

**SECTION 2 Deciding Which Plan to Choose**

**Section 2.1 – If you want to stay in Liberty Medicare Advantage Nursing Home Plan (HMO I-SNP)**

**To stay in our plan, you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Liberty Medicare Advantage Nursing Home Plan (HMO I-SNP).

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

## SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription

drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In North Carolina, the SHIP is called Seniors' Health Insurance Information Program (SHIIP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Seniors' Health Insurance Information Program (SHIIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Seniors' Health Insurance Information Program (SHIIP) at 1-855-408-1212. You can learn more about Seniors' Health Insurance Information Program by visiting their website <http://www.ncshiip.com/>.

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the North Carolina HIV Medication Assistance Program (NC HMAP).
